CANTERRA SEEDS

Meridian Seeds is proud to partner with CANTERRA SEEDS to offer high-performing canola hybrids with the latest trait packages available. CANTERRA SEEDS was founded by nine Canadian seed growers and is a farmer-owned company to this day. They offer one of the broadest seed portfolios in Western Canada, cultivated through local investments in plant breeding, access to a global network of germplasm and traits, and a steadfast belief that farmers deserve the best. They have strategic partnerships around the world, and varieties tested locally across Western Canada.
